**Burlington, ON – (October 12, 2011) – Malabar Super Spice Company (Malabar) would like to announce the addition of Allan Hills to the Malabar Sales & Service team.**

Malabar is pleased to announce the addition of Allan Hills to the sales team. Allan's background includes many years experience in logistics, nutrition, and sales & operations in the meat industry. Allan joins Malabar from CSB Systems, where he presented workshops, conducted on-site assessments, and worked with processors to maximize the efficiency of their operations.

"Allan understands of how meat processors operate as well as his understanding of nutrition make him an excellent resource for our customers. We're very happy to have him as part of our team at Malabar", says Doris Valade, Malabar's president.
